Grudgingly, Voters Trudge Through Budget Requests

Monday Meeting Popular

Monday night seems to be a popular choice with the voters of the community, as a total of 1,050 turned out for the first session Monday night.

There had been some controversy as to whether to retain the Saturday all day session as has been the case in previous years, or revert back to Monday night which had been the traditional time for the annual session for many years.

The selectmen decided to try the Monday sessions again this year to see if better attendance could be gained. Chairman Robert A. Waters had expressed a desire to retain the Saturday session.

For the first time in several years the meeting started on time, with Moderator Arthur Williams gaveling the session to order promptly at 7:30 p.m.

He had been informed by James Doherty, in charge of the check list, that there were in excess of 400 voters in the hall at the appointed hour, more than enough to meet the quorum requirements of 350.

Officials are hopeful that continued good attendance at the session next Monday and on the following Saturday, will permit action on the remaining articles in the warrant, including a special town

Retains Post In Marblehead

A former Andover resident has retained his position as principal of Marblehead High school, after an original vote of the committee indicated he would not receive tenure.

Charles V. Lovely, son of the late Eugene V. Lovely, headmaster at Pynchard High school and football and baseball coach here, was rehired and given tenure by a vote of the school committee early last Friday morning.

Lovely, who was educated locally, had been informed by the committee early in the week that he would not be given tenure by the school committee.

STANDING VOTE. A portion of the over 1,000 residents attending town meeting Monday night are shown during one of the standing votes taken on budget items. The voters still have 79 articles to act upon since the initial session Monday failed to complete action on Article four, the annual town-school budget.

King Named Chairman Of Board

William King became chairman of the school committee after being elected to a second term on that board last week.

School committee members made King their chairman at the first post-election meeting, last Thursday, after former chairman Dr. Richard Katz announced that he would not accept the chairmanship a fourth year "because of pressures on my time, and because a fresh voice is always valuable." He said the three years as head of the school committee had been "exciting, enjoyable and educational years for me."

The meeting marked the first official appearance of new member Dr. Francis Griggs, top winner in the school committee elections. The election put education firmly back in the hands of the men, with the defeat of Mrs. Virginia Cole after two terms. The committee's present makeup is one doctor, (Dr. Katz) two engineers teaching or administrating at college, (Chairman King and Dr. Griggs), an industry systems engineer, (Frank Hill) and a physical chemist (Dr. Daniel Frishman), who is head of a company.

The sense of shifting scene included the news that Donald D. Dunn, director of physical education and athletics, would retire at the end of the school year. The school committee accepted with deep regret Dunn's impending retirement after 36 years of service. The committee approved, also with regret, the retirement

William F. King

of Mrs. Winifred Brookover, Doherty school third grade teacher, also effective in June. Mrs. Brookover joined the Andover school system in 1950.

The retirement of Mrs. Dorothy Stackpole, remedial reading teacher since 1967, was also accepted with regret by the school committee.

The committee approved the appointment of three teachers, two of them on permanent substitute basis, and a learning disability tutor.

Mrs. Mary Aram was appointed half-time grade 3 teacher at West Elementary School, from February on, at \$3950. Mrs. Aram received her B.S. in elementary education at the University of Rochester, in 1956, and has taught in Rochester and Birmingham, Ala.

Mrs. Claire Gyrsting was approved as a permanent substitute in homemaking at West Jr. High, at \$7200. She received her B.S. at the University of Rhode Island in 1954 and has taught sewing at the junior high level in Pawtucket, R.I.

Dormitory Issue Again Under Study

The long battle to use the Parker House Inn on North Main street as a dormitory facility for Bryant-McIntosh college of Lawrence continues.

The selectmen, after a lengthy public hearing Tuesday night took the request of the college for a lodging house license, under advisement with a decision due at their next meeting, scheduled for Monday, March 22.

Atty. Harold Morley, counsel for Bryant-McIntosh, along with school officials, told the selectmen that the school had met all statutory requirements for dormitory use, and that all safety measures had been met.

There are 67 male students boarding there now and 25 female students in an annex.

The group is supervised by a resident director as well as other staff personnel on a 'round-the-clock' basis.

There is no planned expansion of the facilities. The lease on the building by the college is for three to five years, while new college buildings and dormitories are built in Lawrence.

Residents and abutters of the area, again protested use of the former Inn as a college dormitory.

Frank McArdle spoke at length, claiming current use of the building is in defiance of the law, since the selectmen had refused to issue a permit last spring.

There were comments about noise of the students and traffic

Still Face Most Of Warrant

Voters grudgingly trudged through a major portion of the town budget at Monday's opening session of town meeting, before adjourning to further discuss the controversial school budget at next Monday's session.

With a combined regular and special warrant totalling 79 articles, the 1,050 voters present Monday, in an economy frame of mind, managed to get only through 83 items in the town budget, before calling for a continuation to next Monday.

The school department budget came under considerable discussion before adjournment at 11:15 p.m. after almost each departmental request was questioned by the voters.

Bulldozer Out

A major victim of the apparent economy drive, was a new bulldozer for the town's sanitary disposal site, despite an appeal by Public Works Director Robert McQuade and Town Manager J. Maynard Austin.

McQuade explained that the present dozer was in need of repair and was at the end of a five year guarantee period. The undercarriage of the vehicle is in dire need of repair, due to the use of the vehicle at the dump.

He also explained that work would be needed on the carburetor, as well as other items to keep the machine in working order.

McQuade also pointed out that state health regulations dictate that if the machine is out of service a comparable piece of equipment would have to be rented at a minimum cost of \$200 per day.

Estimated cost of repairs was set at \$15,000. A new machine with a five year guarantee and replacement if out of service would be in the vicinity of \$65,000.

White Opposed

Arguing against the purchase of a new dozer was Selectman Sidney P. White, who felt the town could go along with the same machine and the \$15,000 repairs for another year.

Agreeing with White was Selectman Milton Greenberg, who said he "was confused," after hearing the various comments. He said he had only a week to study the budget and the varying comments led him to also oppose the new machine.

A move was made to reduce the budget from \$84,650 to \$39,000 and voters literally "bulldozed,"

Flowers . . .

. . . can make an important contribution to the traditional funeral service. Not only do they denote respect for the deceased, but flowers can be sort of a personal messenger of sympathy and understanding to survivors. Their presence tells the immediate family that their friends are thinking of them and sharing their sorrow during their bereavement.

While many customs and fashions have undergone changes over the years, the use of flowers at funerals has endured. Evidence of floral tributes back as ancient Egypt.

Defending champion West Parish A threw the Junior Division title race into a three-way tie at the end of the regular season, defeating previously-unbeaten St. Robert's A 19-5 in Andover Church Basketball League action last weekend.

The outcome of this game, which ended with a 2-0 forfeit victory by St. Robert's B over Christ Church, left West A and the two St. Robert's teams in the first three-way deadlock in league history.

All three clubs ended the regular campaign with identical 9-1 records, and a post-season play-off set-up has already been arranged among the trio. West A and St. Robert's A met in the first playoff tilt yesterday, after TOWNSMAN presstime. The winner of that game is slated to meet St. Robert's B for the Junior Division title tomorrow night between 7-7:30 p.m. at the East Junior High.

That Junior Division title scrap will be the first of three games tomorrow evening, as the league has a full slate of activities on tap.

First on the card will be the annual foul-shooting contest at 6:15 p.m., in which every boy in the league has a chance to prove his shooting skill with a pair of athletic shoes as the prize.

Following the contest will be the Junior Division championship game. The second tilt will match the loser of yesterday's West A-St. Robert's A game against the Junior Division All-Stars. The

final game pairs the Intermediate Division All-Stars against the division champion West Parish 2 team.

Members of both All-Star squads are mentioned later in this article. Because of the unusual three-way tie and necessity for a playoff game, the Junior Coaches vs. Intermediate Coaches game has been cancelled this year.

Junior Division -- For West A, the victory was the 54th in its last 56 games and kept the club alive for its third title in four years. The loss broke a nine-game St. Robert's A victory streak. West A jumped ahead 5-2 after the first period, and led 13-4 at the half and 19-5 after three quarters. The final canto was scoreless.

Jon Crush paced four West A players into the scoring column by pumping in 7 points. Co-Capt. Paul Rosetti canned 6 points, Co-Capt. Mark Conlon gunned 4 points through the nets and Jeff Smith swished 2 points.

Dave Alexander, Brian Eronson, Frank Comparato and Bruce Etter all chipped in with some excellent defensive play for the victors.

Larry Weitz bombed in 4 points, and Tommy Saunders connected on a third-quarter charity toss, to complete the St. Robert's A scoring. Brent and Scotty Goldstein and Todd Orlando were other standout performers in a losing cause.

Baptist Church won its fourth game in five outings, and finished with a 5-5 record, by blanking South 8-0.

The evenly-distributed Baptist point parade showed Rick and Ed Collins, Kevin Fogarty and Eric Blake with 2 points apiece. Dave Fogarty, Dave LaFleur, Tom Steadman and Tim Whitton also played well for the winners.

South, missing big Alan Gould, received outstanding floor games from Mark Howe, mini-man John Sagaser, Doug Taylor, lefty Will Washburn, Tony Trujillo, Jimmy Gardner and Dave Yagmoorian.

There were two other Junior forfeits in addition to the St. Robert's B triumph over Christ Church.

St. Augustine C won over West Parish B by forfeit, although Joel Smith, Dave Bradner and Pete Newton of West B excelled in a no-contest pick-up game. Both of these squads closed with 5-5 records.

St. Augustine B also gained a 2-0 forfeit win over Free Church to end the year in fourth place with a fine 7-3 record. In another no-contest tilt, Dave Farrell of St. Augustine B popped in long bombs from all over the court.

Intermediate Division -- Several Intermediate players went out in grand style, as a number of good individual performances were displayed.

Three-time defending champ West Parish 2 put the lid on a perfect year 8-0 by belting chief rival South Church, 65-16. It was the 24th straight victory for the champs.

Guard Dave Vivian, competing on his fourth Church League title team, ended his "career" with a single-game personal high of 28 points. Greg Brown, also on his fourth winner, added 16 points.

Steve Brody tossed in 10 points for West 2, Bob Mac Mackin scooped in 4 points, Bob Scribner dumped in 3 points, Mark Hewett 2 points and Brian White banked in one bucket. Tommy Devlin also contributed a fine all-around effort.

For South, Paul Hoffman was limited to a season-low 6 points, Paul Maguire unloaded two bombs for 4 points, Bill Hocknell dipper-dunked 3 points and Mark Davis

fired in 3 points also. South finished at 5-3.

Miles Coates scored one of the highest single-game point totals in league history when he poured in 37 points, sparking St. Robert's 1 to a 56-18 romp over Christ Church.

It was the third straight win for St. Robert's 1, which ended in a two-way tie with South for third place behind West 2 and St. Augustine 2, 6-2.

Mark Holt also cracked twin digits with 10 points for the victors, while Ed Orlando popped in 7 points and John Drivas hooped 2 points. Coates' big quarter was the third, when he accounted for 18 points.

Mike Sapuppo and Mark Spire contributed some fine steals and rebounds to the St. Robert's 1 victory.

Garrett Lynch spearheaded the losers' attack with 8 points. John Belanger hooked in 4 points, while Mark Fleisher, Garabedian and McCarthy slipped 2 points apiece through the strings. Dave Lockwood was sidelined for the losers.

St. Augustine 2 clinched sole possession of second place, and won its third straight game, by edging St. Augustine 1, 21-15. Leading only 12-11 after three quarters, the winners held a 9-4 last-period point spread.

Bob Messersmith headed the St. Augustine 2 charge with 8 points, while Bart Farrell nestled the nets for 7 points and Barry Bronson canned 4 points. Mark Moriarty completed the point parade with 2 markers, while Mark Costello, Dave Hajj, Bob Peterson, Tom Lucieri and Joe L'Italien also sparkled.

Eddie Caselden was the big hitter with 6 points for the vanquished, while John Zemis accounted for 5 points. John Fox swished three free throws and Kurt Reming hit one charity toss. Paul Rindone and Mike Mulligan also starred.

The final Intermediate game saw West Parish 1 dump Free, 42-8. Dave Coulthard stuffed 20 points, Louis Fisk dunked 16, Bill Crush laid in 4 points and Mike Syiek had 2 points for West 1.

Scott Hammar tossed 6 points in the hole and Dirk Vondell bucketed 2 markers for Free. Mark Hammar, Scott Franz and Mark Hamilton joined Jack Manning in some fine all-around hustle

heard locally.

Scriptural insights on meeting contemporary problems will be explored in a radio series of dialogues presented by the Christian Science churches of Andover, Lawrence, and Lowell over a Lawrence-Lowell radio station, beginning Sunday, March 14, at 7:45 a.m. This fifteen-minute program will be heard each Sunday at the same time.

People will tell how their understanding of God enabled them to meet the challenges of today and to be healed.

As a part of the church's outreach to the community, "The Truth That Heals" deals with a broad range of contemporary subjects including highway safety, drugs, youth, exploitation, pollution, crime. The question of how to apply the practical teachings of the Bible will be considered on each program.

Nearly 1,000 stations on six continents carry the weekly series which is heard in Dutch, French, German, Portuguese, and Spanish, as well as English.

The marten, or pine marten, known also as the American sable, is a weasel that lives in the conifer tree belt from northern New England and eastern Canada to Alaska, and in western mountains south to New Mexico. Overtrapping, (20,000 in Canada, and 10,000 in

the U.S. including 8,000 in Alaska), lumbering and burning have reduced its habitat so that protection eventually may be necessary, according to the Massachusetts Audubon Society.

Curriculum Subject Of Discussion

The school curriculum will be the subject of discussion for this month's meeting of St. Augustine's Guild, to be held Thursday, March 11, at 8 p.m. in the school hall. Sister Mary Rosalie, S.N.D., Superior, will moderate a panel discussion with Education Supervisors of the Notre Dame Order. Chairman of the meeting is Mrs. Lomer Pothier and she will be assisted by a committee of Grade 5 mothers: Mrs. Raymond Bolduc, Mrs. Alfred Cavallaro, Mrs. T. W. Fitzgerald, Mrs. Andre Paradis, Mrs. Norman Paris, Mrs. William Small and Mrs. John Harrigan.

Memorial Hall Library

Mrs. Ralph Sharpe

Staff

The Ballardvale Branch of the Memorial Hall Library is enjoying a singular honor this month, one of which the entire town of Andover should be aware and proud. A painting, which is a panoramic view of High Street in Ballardvale as it was at the turn of the century and which has always hung on the walls of the branch library was selected by The Essex Institute in Salem, to be part of its current display of paintings by Essex County Artists. The chosen work of art was painted by Bancroft Haynes in 1897; it is in oil and it has been of interest to town historians for the last fifty years. After it comes back to Andover from The Essex Institute it will be hung in the main library for a time in honor of the 325th anniversary of the town of Andover. The librarian at the Ballardvale Branch is the person we are honoring this week. Her name is Mrs. Ralph Sharpe and she is very excited about the fame which has come to the painting in her library. No one in Ballardvale is more interested in the early history of Ballardvale than Mrs. Sharpe. She has made it her hobby and her work. She has pursued older friends who remember Ballardvale as it was, and she has made new friends everywhere who are concerned about recording the events and customs of days gone by. Mr. and Mrs. Sharpe make a living as auctioneers. They live in an old house in the center of town and they participate in many community and church activities. The Sharpes have raised three sons, two of whom have settled in the Lawrence area, the third is in the Air Force. Mrs. Sharpe is taking library courses at Northeastern to help her at her job, but if anyone wants to know about the history

of Ballardvale he can find out all he wants to know from Mrs. Sharpe, and she does not have to take a course to help him.

Exhibit

The display of bonsai at Memorial Hall Library this month is one of the most unusual and most beautiful we have ever had. The plants are exhibited by the Northeast Bonsai Association. The plants are changed each week and are cared for daily by a member of the Association. Don't miss these exquisite miniature trees and shrubs.

Films

March 18 will be the next meeting of the Senior Citizens' Film Program. Everyone is welcome at the Baptist Church at 2 p.m.

Girls Scouts

This is Girl Scout Week and to demonstrate their program the Brownies of Troop 74 in Andover have placed a charming exhibit in the Children's Room at the library. A few of the crafts made by the girls are puppets, doll clothes, valentines for shut-ins, tree-books, and "shell" vases.

Spices

A spice chart has been made by the Andover Junior Garden Club and presented to the Children's Room. On display are plastic bags containing different forms of cinnamon, cloves, ginger, nutmeg and pepper. The aromatic qualities, as well as the educational benefits, are appreciated with this gift from the Junior Garden Club.

Calendar

Any dates to be included in the April Ecology Calendar should be in by March 11. Please telephone Mrs. Ashton Smith if you have an activity in the field of ecology to be held by your club or association during April. The number is 475-6960.

Photography

The photography contest sponsored by the library in honor of National Library Week will permit as many photographs from one person as he or she wishes to turn in. They must have an ecology message and they must be eight by ten in size. (the measurement given last week was incorrect) Final date for turning in the photographs will be April 10. Both students in high school and adults may enter the contest.

Square Dance Schedule Set

The Rocketeer Square Dance Club has announced their March Dance Schedule.

A St. Patrick's Class-Club Dance will be held on Wednesday, March 10 with Dick Steele calling. Wednesday, March 24, John Hendron will be the caller. Marty Van Wart of Maine will call on Saturday, March 27. 2 plus 2 round dancing with Polly Floyd.

The Round of the Month will be taught from 7:30 to 8 on Saturday. All dances are held at the Regional Vocational School, River Road, Andover.

Judo Exhibit For Troop 75

Mr. Alan Kenney, who holds a Brown Belt (5 degrees), demonstrated the technique of judo at Troop 75's March 5 meeting.

First, Mr. Kenney did warm-up exercises with all the scouts. Kevin Kenney, Michael Witt and Bobby Muldoon showed the various flips and holds.

For the remainder of the period, Mr. Kenney choose various boys from the troop to try out the different holds with the three experienced scouts for mat work.

All the boys were most interested and had an enjoyable meeting.

Demonstration At Museum

Hand-spinning and weaving demonstrations will be given in the galleries of the Merrimack Valley Textile Museum every Sunday afternoon beginning March 14, according to an announcement from the museum.

Thomas W. Leavitt, director, said demonstrations in the spinning gallery would include hand-carding, spinning on a wool wheel, a flax wheel and a reproduction of a 1775 spinning jenny. In the weaving gallery, a "Dutch" loom, reel, swift, quill winder and tease gigs will be part of the demonstration.

Trained craftswomen will be employed for the demonstrations. In addition to operating the various cloth-making implements, the spinners and weavers will assist visitors in studying each part of the exhibit.

Installed in 1964, the permanent

exhibit illustrates the most important techniques used in eighteenth and nineteenth-century cloth manufacturing. Historic artifacts such as a picker from New York State, a carding engine from Maine and a power broadloom last used in West Virginia are on display. A slubbing billy from Connecticut, a spinning jack manufactured in North Andover, a twister from Pennsylvania and a shearing machine from Vermont are also included.

The Sunday admission fee will be one dollar for persons 18 or more years of age. Admission for others will be fifty cents. The galleries are open from one o'clock to five o'clock.

The galleries will continue to be open from one to five o'clock as usual on the other six days of the week, when no admission fee is charged.

day evening, March 16, will be at the home of Mrs. Frank Coliano of 23 Sagamore Drive; and on Thursday evening, March 18, at the home of Mrs. Victor Duxbury of 151 Hidden Road.

All are cordially welcome to attend any of these meetings.

Wolves crossed the ice and reached Isle Royale in Lake Superior in 1949. On this 210-

The Victorian Age of gardening will be presented by fourteen Massachusetts Garden Clubs under the direction of the Women's Exhibition Committee of the Massachusetts Horticultural Society.

Executed in the Victorian manner, and using the types of plant materials in vogue one hundred years ago, "Victoriana" will feature weeping willows, gazebos, pergolas and arbors.

Opening Service At Church

The first worship service was held in the new United Methodist Church sanctuary, North Andover, on Sunday, Feb. 28. The new chancel furnishings have not arrived as yet, but by using the old furnishings it was possible to hold the worship service. It is expected to be completed in the very near future.

This completes the three-phase building program which has been in progress. The first was accomplished when the parsonage at 47 Peters St., North Andover, was occupied in 1967, and the second in 1969 with the opening of the Education Building. Worship services have been conducted in a section of the Education Building since December of 1969.

Indian Missionary To Speak

Rev. Thomas G. Gossett, director of Indian Trails Missions with headquarters in Mesa, Arizona, will speak at the Andover Baptist Church, Central and Essex streets, on Sunday, March 14, at 10:45 a.m. and 7:30 p.m.

Indian Trails Mission is presently reaching the Hopi, Navajo, Papago and Apache tribes in the Southwest.

An orphanage home on the edge of the Navajo Indian reservation is also under the direction of Indian Trails. Plans are being made for the establishment of a boarding school and home for Indian youth.

Mr. Gossett will preach at the morning worship service, and at the evening service he will show slides of the work. Indian arts and crafts will be on display, and many interesting stories of the customs and traditions of the various tribes will be discussed. The public is invited to attend these interesting meetings.

Thursday, March 18, is a date for all those "over-60" Andover residents to circle on their calendars. At 2 p.m., Memorial Hall Library Staff members will present their movie afternoon for senior citizens at the Baptist Church.

At that gathering, the Haven Associates will also conduct a brief business meeting. All Andover senior citizens are automatically members of The Haven Associates. Refreshments will be served. Reservations are not necessary. All are welcome.

Plans Exhibit

The Samuel Osgood Stamp Club invites all to attend SOPEX 71 which will be held at the Greater Lawrence Regional Vocational School located on River Road. SOPEX 71 will open at 1 p.m. on Saturday, March 20, and continue until 10 p.m.

On Sunday, March 21, exhibition hours will be from 1 p.m. to 6 p.m. There is plenty of free parking available. Admission is free and door prizes of philatelic material will be awarded at the close of the exhibit on each day. The winner need not be present.

Opening Service At Church

The first worship service was held in the new United Methodist Church sanctuary, North Andover, on Sunday, Feb. 28. The new chancel furnishings have not arrived as yet, but by using the old furnishings it was possible to hold the worship service. It is expected to be completed in the very near future.

This completes the three-phase building program which has been in progress. The first was accomplished when the parsonage at 47 Peters St., North Andover, was occupied in 1967, and the second in 1969 with the opening of the Education Building. Worship services have been conducted in a section of the Education Building since December of 1969.

Indian Missionary To Speak

Rev. Thomas G. Gossett, director of Indian Trails Missions with headquarters in Mesa, Arizona, will speak at the Andover Baptist Church, Central and Essex streets, on Sunday, March 14, at 10:45 a.m. and 7:30 p.m.

Indian Trails Mission is presently reaching the Hopi, Navajo, Papago and Apache tribes in the Southwest.

An orphanage home on the edge of the Navajo Indian reservation is also under the direction of Indian Trails. Plans are being made for the establishment of a boarding school and home for Indian youth.

Mr. Gossett will preach at the morning worship service, and at the evening service he will show slides of the work. Indian arts and crafts will be on display, and many interesting stories of the customs and traditions of the various tribes will be discussed. The public is invited to attend these interesting meetings.

To Hear About
Industry

Special emphasis will be placed upon the importance of the Saugus Ironworks at the meeting of the Andover Historical Society, Thursday, March 18, at 8 p.m. Mrs. Cynthia G. Pollack, Park Technician, at the National Historical Site, will give an illustrated talk on the "Industry and Trades of 17th Century Essex County."

One of the earliest industries, the Ironworks was started in 1646. There was produced, cast and wrought irons which launched the iron and steel industry in America. This landmark was restored by the iron and steel industry and the First Iron Works Association, Inc. and is now maintained by the U.S. Department of the Interior. It is open to the public five months of the year. There one may view the reconstructed blast furnace, forge and the rolling and slitting mill. A museum of excavated articles and an exhibit of the development of the iron and steel industry are also a part of the restoration.

During the social hour which follows the program, refreshments will be served by Mrs. A. Glenn Hanson and Mrs. Edward F. Stokham.

Employment of health service workers is likely to jump 3.9 million in 1968 to 6.35 million in 1980, according to projections by the Labor Department's Bureau of Labor Statistics.

Schools

Andover is an education oriented community, but the tenor of town meeting, at its opening session Monday night, indicates there is a changing attitude.

The annual school budget, characteristically passed almost without question in past years, has suddenly become the target of many voters.

It was questioned Monday night and will be the subject of further debate when the meeting resumes next Monday.

We mentioned, editorially a week ago, that the annual town election, with its sudden turn of events in electing a Merrimack College professor in his first try for public office, may have been indicative of the public's feeling toward the cost of education here.

Certainly Monday night, there was evidence that our supposition was correct.

Among the most salient points brought out during the discussion, was the rate of unemployment, the number of engineers displaced by failure to obtain government contracts by local firms, the desire to remain residents of Andover on an economical basis.

Possibly the school department must examine its goals and ideals.

A budgetary reduction could indeed be in order.

Nobody would deny the providing of the best in education for Andover's youngsters.

But, in recent years, the school department has been

innovative, without determining if new systems, methods and programs are beneficial.

As costs continue to soar, these programs are due thorough evaluation to see if the taxpayer is properly receiving a true dollar's worth.

School officials have publicly stated they are aware of the high cost of educating Andover students.

The question which still remains to be answered, however, is what is the return for this high per pupil cost?

The Andover school budget is higher than that of surrounding communities, including Lawrence, with a higher pupil population than Andover, and Methuen, which is in an equal category.

Possibly, Andover taxpayers are arising in revolt to the high educational costs.

That remains to be seen Monday night when a school department budget must be adopted.

Of course the school committee can go to court to seek return of some funds cut from the budget, if this happens.

Would they act in such a manner?

We hardly think that an over-generous populace, as evidenced in past years, should have their judgment challenged at this time.

A year to be cognizant of the town's economy, could give school authorities a chance to envision needs and dislikes not based on utopian attitudes.

Good Sign

News arrives this week that the state Department of Public Works is planning repair of Route 93 in the spring.

The news arrives a week after we had commented on the deplorable condition of the comparatively new, and heavily travelled expressway.

That the state authorities have recognized the problems and are intending to do something about it, is encouraging.

Now, if only the same state agency would take similar action on a section of Elm street, we would all be pleased.

The road, from Washington Avenue to Wilson's corner in North Andover, remains in terrible condition with its constantly repaired potholes.

Following each storm a state truck comes by to replace the patch washed out, thus continuing the temporary repairs of the road.

A thoroughly new surface is badly needed and long overdue.

We would hope that some signs of permanent repairs would be forthcoming soon.

Time

Town meeting moved quite slowly Monday night, and if it is an indication of things to come in subsequent meetings, the town could be in trouble.

Two particular articles are in need of attention prior to the scheduled March 20 session.

Failure to act on the items would lead to compound problems.

Bids are being asked on both major projects. Contractors must be notified within 30 days of the town's decision.

Too, meetings must be held with bond counsel and the School Building Assistance commission within the 30 day period.

There are those who feel that once the budget is adopted the meeting will move along rapidly.

But indications are that several issues will evoke considerable debate, thus extending the meeting beyond the March 20 date.

It would appear greater speed is required in the upcoming sessions if the time schedule is to be met.

Anything less than handling the remaining items with dispatch can only lead to jeopardizing two projects badly needed by the town.

Off The Top
Of The Desk

It was good to see all the knitting again at town meeting.

Based on experience, we are awarding the top prize for town meeting knitters to Andover.

While some sweaters, socks and other adornment are worked on at meetings in other communities, Andover seems to have the largest collection at its regular and special sessions.

It is interesting to see the needlework progressing as the various issues are discussed.

Visitors to the office during the past week were Gordon and Greta Coutts, former residents of Andover, now a permanent part of Florida.

While the cold northern climate was not particularly to their liking, it was good to see the former residents and to hear of several other Andover folks who have taken up residence in Florida.

Seems there is a section down south composed of a goodly number of former Andoverites.

Signs of spring are arriving, despite the failure of the always reliable crocus to pop up through the earth.

The division of fisheries and game has advised that stocking of streams with trout is underway in advance of the opening of the fishing season, not many weeks away.

And, the baseball season is less than a month away, with the Boston Red Sox home opener scheduled for April 6.

The Massachusetts Turnpike was rated as the safest highway in the Northeast in 1970, carrying both passenger cars and truck traffic. Over 1 billion, 127 million miles were travelled in 1970 on the 135-mile length of the Massachusetts Turnpike. The fatality rate was 1.3 for every 100 million miles of travel. This safety record was the best for the Mass. Pike since it was opened in 1957.

Chairman John T. Driscoll, of the Massachusetts Turnpike Authority announced that figures released by the International

Bridge, Tunnel and Turnpike Association in Washington shows that the Massachusetts Turnpike had the best safety record of all toll roads carrying passenger cars and truck traffic in the Northeast. This outstanding record was compiled in 1970 by 29,956,985 passenger cars and commercial vehicles using the Initial Turnpike from the New York State line to Weston, and an additional number of vehicle transactions totaling 43,152,032 on the Foston Extension from Weston to Downtown Boston.

A practice is being followed by some cigarette manufacturers which the Essex County Health Association regards as highly dangerous.

Denied access to radio and television advertising these companies are mailing sample packages of cigarettes to homes throughout our communities.

These unsolicited gifts, while addressed to an adult and carrying the standard "Warning: The Surgeon General Has Determined That Cigarette Smoking is Dangerous To Your Health", may land in the hands of minor age children, persons who are trying to stop cigarette smoking, patients for whom smoking is an extremely serious immediate health hazard, as well as the adult able to judge calmly for himself the risk involved in his personal use of cigarettes. Of course, the accompanying card suggests "if you are not a smoker perhaps you would like to pass this gift along to a friend," the company thereby recognizing it is broadcasting cigarettes to non-smokers.

From the Merrimack Valley Works Newsletter of the Western Electric Company: A Montreal operator answered a call for the third time with "Good morning, this is the telephone company." This time a somewhat embarrassed little female voice said: "Is this really the telephone company?" The operator assured her that it was and asked to whom she wished to speak. "Nobody, I guess," she replied. "I just found this number in my husband's coat pocket and was curious."

Down the Years
with
The Townsman

75 Years Ago - March, 1896

Basement of new St. Augustine's church was opened and blessed Sunday. The new edifice, which still has work to be done on it since being destroyed by fire some months ago, is much more accommodating than the town hall for services.

The annual town meeting was quickly conducted this year, with the voters appropriating \$80,000 to be raised by taxation.

A baseball team will be formed at the Theological Seminary this year, with the former pitcher from Princeton to serve as captain.

The electric cars resumed operation on Wednesday, having been out of service since Monday with water in the power house in Lawrence shutting down operations.

The Andover Village Improvement Society is interested in planting shrubs and general landscaping of Memorial Hall (library).

50 Years Ago - March, 1921

Manchester, N.H. man held in Lawrence jail for automobile charges following an accident which resulted in death of local man. He is charged with manslaughter, operating to endanger and leaving the scene of an accident.

Andover voters cast dissenting ballots on the subject of awarding liquor licenses in the town.

The adjourned town meeting will be held Monday at 2 p.m. in the town hall.

Local insurance company advises that accumulation of ashes in the cellar of local homes is dangerous. It is advised to keep ashes as far away from wood surfaces as possible.

The regular town payday will be deferred until Tuesday next week, due to the town meeting falling on Monday in the town hall.

25 Years Ago - March, 1946

Wages, appropriations and taxes are all going up, following the annual town meeting, attended by the largest number of voters in the history of the town.

Special article in the TOWNSMAN, deals with Steven T. Byington of Ballardvale, who has delved into the languages in which the Bible has been written.

Committee to study reduction of school committee from nine members to five is proposed and passed.

Dr. Claude M. Fuess conducts meeting of special committee studying observance of 300th anniversary of incorporation of the town.

Fire department is called to Aberdeen to rescue a cat chased up by an unfriendly dog. The feline got up safely then became unsure of its return trip down the tree.

10 Years Ago - March, 1961

For the first time in the history of the school committee, the superintendent of schools will serve as secretary to the board. A majority of three votes places Supt. of Schools Edward I. Erickson as secretary replacing Committee member William A. Doherty.

Zoning issues to spotlight annual town meeting which is scheduled to open Saturday morning.

What Our
Readers Say

To the Editor of the TOWNSMAN: We, the workers, of the town cemetery as a small group wish to thank you for the editorial and the article which explained our awkward position not being under Civil Service with the Public Works. It was through the Townsman that the citizens received the necessary information to make a fair judgment in their voting. We also wish to thank the people who helped get our required amount of signatures, those who signed our petitions, and those who voted in our favor.

Music To Our Ears

By Edward P. Grigoli

Although Paul Whiteman was billed as "King of Jazz," this should not be taken too seriously in the musical sense. At best it can be said that he made use of semi-Jazz conceptions in his dance music.

Whiteman drew very little from the Jazz language except some of its simpler improvisations, personal expressions, counterpoint, and rhythmic subtlety of natural (traditional) Jazz.

His friendly relationship, and steady employment of true Jazz musicians, such as Bix Beiderbecke, Eddie Lang, Frank Trumbauer, Jack Teagarden, the young Dorsey brothers, etc. was one of his major contributions to Jazz.

Throughout the 1920s and into the '30s, Paul Whiteman employed many Jazz musicians who found it necessary to play "pops" music because of its well paying opportunities.

In 1931 he launched a notable Jazz career when he made Mildred Bailey the first girl ever to sing regularly with a large band.

His greatest musical achievement was the premiere performance of George Gershwin's "Rhapsody in Blue" at the Aeolian Hall in New York City.

Eli Whitney received a patent on the cotton gin on March 14, 1794.

Abraham Lincoln was born Feb. 12, 1809.

Miss Stephanie J. Roberts

Miss Roberts Accepted

The Katharine Gibbs School in Boston has recently accepted the application of Miss Stephanie Jayne Roberts for the Two-Year Liberal Arts-Secretarial Course.

Miss Roberts, the daughter of Mr. and Mrs. Furber Roberts of 33 Kathleen Drive, is a graduate of Fairfax Hall High school, Virginia and Barry College, Florida.

The Gibbs school, founded in 1911, is noted for training young women for executive secretarial positions.

Vietnam Subject For Coffee House

"Vietnam: The Endless War" will be the subject of discussion at the People's Choice Coffee House, March 12.

People's Choice meets at 8:30 p.m. at the Unitarian Universalist Church of Andover, 244 Lowell St.

The guest speaker will be Miss Cynthia Frederick who recently returned from a brief visit to South Vietnam, where she spent eleven months in 1966-1967 doing research on Vietnamese politics. Her interest in South East Asian studies arose out of earlier work on international relations and politics (at the universities of Grenoble and of Paris, France, at the Free University of Berlin, Germany, and at George Washington University in Washington, D.C., where she received a B.A. degree in 1966); in September, 1969, she completed a PhD degree in Politics at the School of Oriental and African Studies of the University of London. In September, 1969, Cynthia Frederick returned to the States to do a year of post-doctoral study at Harvard University in Vietnamese and Chinese studies. This past fall, she taught a course in Southeast Asian politics at Tufts University, and participated in the Cambridge-Goddard Graduate School for social change which was opened this year in Cambridge. She has also been an active member of the Harvard Branch of the committee of concerned Asian scholars, and was a contributor to their recently published *The Indochina Story*. Cynthia Frederick has also written for the *Harvard Crimson* and *The Boston Phoenix*.

People's Choice is an adult program oriented coffee house to which older teen age youth are welcome. A modest donation is requested to help cover on-going expenses of promotions and program development. The public is invited.

Surprise Bridal Shower

Miss Judy Davis of Andover, formerly of North Reading, escorted by Mr. Keith Winslow, fiance, of Arlington, was guest of honor at a surprise miscellaneous shower at the home of Mr. and Mrs. Lawrence Davis, 6 Peter Road, given by the bridal party on Saturday evening, March 6.

The hostesses were Mrs. Lawrence Davis; Miss Donna Surdam of North Andover; Mrs. J. Raymond Davis, Miss Carolyn Davis and Miss Cathy Davis -- all of Stoneham.

Miss Barbara Davis, Judy's niece, of 6 Peter Road, presented her with a corsage made of Spring flowers.

The guest of honor sat under a white bell which showered her with confetti as she opened her many lovely gifts. The gift cart and other decorations were of pink and blue.

Forty-five friends and relatives came from surrounding towns including New Hampshire. Among the relatives were Mrs. George Davis, mother of the bride-to-be, Andover; Mrs. Kenneth Winslow,

ton, trimmed with Venice lace. The bridegroom's brother, Eugene Rakow of New York was best man, and ushers were another brother, William Rakow of Washington, D.C., the brother of the bride, James Lindsay, Frederick Corvinus, William Erickson and Silvio Cemino, all of Bedford Village.

Miss Lindsay, who attended Mt. Ida Junior College, has been a stewardess for American Airlines for the past four years.

Mr. Rakow served two years in the U.S. Marine Corps, including more than a year in Vietnam, has been attending Cornell University, and will continue his education at Fordham University.

After a wedding trip to Europe, the couple will make their home on Baldwin Road in Bedford Village in N.Y.

TOWN MEETING

(Continued from Page One)

the proposed new machinery, on a
voice vote.

Greatest controversy of the night
came on the \$6,644,904 budget of
the school department.

The budget was explained by
Supt. of Schools Dr. Kenneth R.
Seifert.

Following the explanation,
William J. Coderre of Stinson
Road, took the floor and with slides,
showed Andover's per pupil cost
as being high.

He also commented on the cost
of enrichment programs.

When Coderre commented on the
severe unemployment problem in
the area and of his own position
as an engineer, with possible cut-
backs in his occupation, a man
hollered for him to stick to the
school budget.

To which a woman across the
hall hollered back, "let him talk,
he can't pay it and I've been
screaming about the same thing for
20 years."

The speaker was quite vocal on
the possible purchase of a \$60,000
computer. The school department
has already hired a man to operate
the computer. Dr. Seifert ex-
plained the man had been hired be-
cause several school systems were
seeking his services.

Dr. Seifert said the computer

would be used for solving problems
and setting up programs and could
be used by both the town and the
schools.

He said the purpose of obtaining
the computer was due to "look-
ing at educating kids in the 80s
not just the 70s."

Finance Committee Chairman
Dr. Albert J. Greenberg also spoke
on the computer item favoring such
a purchase.

Coderre estimated that the
school budget could be reduced
by \$117,300 by examining the over-
all budget.

Among some of the items sug-
gested was the \$60,000 computer,
the \$14,300 salary for the man to
run it, as well as some \$43,000
in school bus transportation.

There was no opportunity to
vote on the budgetary requests,
since a move was made to ad-
journ. Thus the school budget
will be the first item considered
when the session reconvenes next
Monday.

In addition to the school budget,
there are about 20 additional items
remaining in the overall budget
to be acted upon.

Salary increases were approved
for the selectmen and town
manager.

Selectman Roger W. Collins
spoke in favor of the increase for
the selectmen. The salaries were
approved at \$800 for each member
and \$1,000 for the chairman. The
vote on the matter was 379-245.
Selectmen Sidney P. White and
Milton Greenberg stood in oppo-
sition.

The town manager received an
increase in salary of \$2,500.

Selectman Sidney P. White felt
the increase was justified in view
of the work performed by Austin
and also noted that the adminis-
trator was sixth ranked in salary
locally, three school principals,
an assistant superintendent and a
superintendent of schools all
making more money than the
manager.

With the town manager off the
stage, the voters approved the
matter, 474 to 419.

Paddle Tennis Offered

Women's informal paddle tennis
play courses will be offered by
the Andover YMCA as Spring term
programs. The five week courses
will begin the week of March 22 to
permit concluding before the start
of the outdoor tennis season.
Women may select from the
following class time: Monday,
Tuesday or Thursday 12:30-1:30
p.m. All play will be at the Abbot
courts.

Enrollment is limited to 12 per
class and women may register at
the YMCA, on a first come basis,
beginning March 15. Equipment is
supplied or players may bring their
own.

Austin Prep Planning

For Weekend

On Friday and Saturday, March
12 and 13, Austin Prep is cele-
brating its second anniversary of
defeating an act to close. Whereas
the school now is most optimistic
for its future, states Mr. Robert
J. Jenkins, Trustee, it is
important that we pause to recall
this incident and to realize that
our Austin community must re-
main strong and united to prevent
a similar incident from occurring.
This occasion is designed to be an
exciting fun-filled weekend, with
gala socials held both on Friday
for the students and alumni and
Saturday for the entire Austin
parent community and their
friends. Friday night, amidst fes-
tive decorations, including flowers
and palms and a student
constructed summer garden house,
all students, alumni and their dates
will enjoy a semi-formal, "Mist",
an eleven piece top rock group
will provide music for dancing and
entertainment. A buffet will also
be served.

Saturday night, the parents,
faculty and all Friends of Austin
will enjoy the party of the year.
A complete hot buffet supper, with
music, dancing, and cocktails will
be centered around the same night
club atmosphere created by the
Austin students. Professional en-
tertainment will be provided by Guy
and Eleanor Rotondo and a new
attraction this year, the Guy Ro-
tondo Singers.

Tickets for both occasions are
available at the school. Mail
orders are accepted. For ticket
information contact the school
reception desk at 944-4900.

Registrations

Open For Golf Course

The Andover YMCA has
scheduled 14 golf courses for its
Spring term. The sessions will
be held on Fridays beginning March
26. Eilly Lodge, assistant pro at
the Marlboro Country Club, will
serve as instructor. Each class
will be limited to eight enrollees
and instruction will cover funda-
mentals with some individual help.
Equipment will be provided or
pupils may bring their own number
5 iron to the first class.

Registrations will open March
22 at the YMCA on a first come
basis. Women may select from the
following class time: 9, 9:45,
10:30, 11:15 a.m. Adults may
choose one of the following: 12
noon, or 4:30, 5:15, 6, 6:45, 7:30,
8:15, 9 p.m. A class for high
school and junior high school stu-
dents will be offered at 3 p.m. and
one for grades 4-6 at 3:45 p.m.

GOOD TURNOUT. Attendance at the first session of town meeting was good Monday night. This overall photo shows residents using the seating arrangements on the stage of Memorial Auditorium, to accommodate the overflow crowd which filled the main auditorium and balcony sections.

LOVELY

(Continued from Page One)

He released the information which received a quick public response by not only the high school pupils, but the general public as well.

Over 1,400 residents attended a public hearing before the school committee. A high school walkout in protest to the school board decision was averted when Lovely asked the students to remain calm, attend classes and wait until more information was available.

Lovely is well known to many Andover residents, having been educated here, and the family was popular during the administration of his father.

He attended the dedication of the new football field in honor of his father at the Thanksgiving Day game in 1969.

Ecology Night Planned

Ecology Night will be Wednesday night, March 17, 8 p.m. at the Free Christian Church, Elm St. The speakers and discussions are sponsored by the Andover-North Andover Newcomers Club.

Heading up the list of speakers are Nathaniel Smith, President of AVIS (Andover Village Improvement Society) and Mrs. Dina Hammond representing the Andover Conservation Commission. The Ecology Club of Andover High school will present a film showing pollution from "Andover to Boston." This film was shot, edited, sight and sound, entirely by the students, and those who have had the opportunity to see it report it is really quite worthwhile.

All concerned residents are invited to attend. Coffee and refreshments will be served.

Supplement Proved To Be Saving

A \$2,000 saving was realized in the new manner of producing the annual report this year, including the supplement in the TOWNSMAN.

Town Manager J. Maynard Austin explained that under the new format he introduced this year, the ordinary book was published with the necessary statistical material required by law.

In addition, a supplement was printed in the TOWNSMAN, copies of which were available at the town meeting Monday, which reviewed the activity of the past year.

With the typing for the booklet being done by the secretarial staff at town hall and the work being done by the TOWNSMAN employees on composition and layout work, the resulting savings to the town was \$2,000 and the budget item was reduced by that much by the voters Monday night.

problems in the area caused by the school.

Parking facilities were also questioned.

After almost an hour and half discussion, the selectmen requested time to study the matter further before making a decision.
